

Why join the WEA?

Becoming an Individual Member of the WEA is a way of stating your commitment to the ethos of the WEA and your support for the work we do.

We are keen to have a broad base of affiliate members which helps increase democratic participation in the management of the organisation.

If you would like to become involved with a WEA branch, and have an opportunity to contribute your own ideas, we will be happy to put you in touch with the voluntary members in your area.

All members of the organisation receive information on the current programmes available, information and invitations to conferences and events and WEA publications such as the Annual Report and the WEA News.
